k. Wagering rules and conditions are subject to change; please refer to odds sheets/displays for details. If there is a conflict between a stipulation on an odds sheet/display and these House Rules the stipulation on the odds sheet/display will prevail.

l. Management will keep a record of all point spreads, odds, final scores and related betting proposition statistics to protect both the customer and Sports Book in case of an obvious computer, mechanical, technical or human error.

2. TICKET ACCURACY

b. No winning wager will be paid without the customer copy of the wagering ticket, except for lost, stolen or unreadable tickets which will be honored as stated below.

c. Management is not responsible for lost, stolen, altered or unreadable tickets. f. The time on the tickets is Pacific Time.

3. **DEFINITION OF "ACTION"

   a. Except as noted below or otherwise specified, all events must be held within seven (7) days of the scheduled date to be considered "action."

   b. BASKETBALL, HOCKEY, BASEBALL, SOFTBALL, SOCCER, AUSTRALIAN RULES FOOTBALL, LACROSSE, RUGBY, VOLLEYBALL and HANDBALL games must be played on the date scheduled for "action." If a game is postponed and/or rescheduled to a later date, said game will automatically constitute "no action."

   c. AUTO races are "action" when the first car crosses the start line after the green flag is dropped.

   d. FUTURE WAGERS are "action" as long as a winner is officially declared, regardless of team relocation, name change, league affiliation, playoff format, season length, etc.

   e. In all sports, with the exception of tennis and table tennis, if any change in venue occurs from the originally scheduled location, there will be "no action" and wagers will be fully refunded.

   f. Both sides must start in any two-way matchup propositions.

   g. Any straight wager deemed "no action" will be refunded. If a parlay has a leg that is deemed "no action", the parlay will reduce by one selection (i.e. 4-team parlay becomes a 3-team parlay, 2-team parlay becomes a straight wager).

   h. For daily BASEBALL proposition wagers, all wagers constitute “action” regardless of the number of games completed, except for the BASEBALL “Grand Salami” in which case all scheduled games must go at least 8 ½ or 9 innings for there to be “action.”

   i. For BASEBALL first inning wagers, the first inning must be fully completed for there to be "action"; otherwise, wagers are refunded. In the case of a pitching change, first inning yes-no run scored bets associated with that pitching matchup will be considered "no action."

   j. For player proposition bets to be considered “action”, the following criteria must be met:
      - Football – player must play
      - Baseball – player must start
      - Basketball – player must play
      - Hockey – player must play
      - Soccer – player must start. Additionally, extra time and penalty kick shootout statistics are not included.

4. **DEFINITION OF "OFFICIAL"

   a. BASEBALL (major league, minor league, and college): In all nine-inning scheduled games, winners and losers are "official" after nine innings of play unless the home team is leading after eight and one-half innings or the game is tied at the end of 9 innings and goes into extra innings. If a game goes into extra innings, winners and losers are "official" after the winner is decided after a full inning of play.
i. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.

ii. The called/suspended games rule also applies to seven-inning scheduled games.

iii. If a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. (For example, in a case in which the home team scores to tie or take the lead in the bottom half of the inning, which is not completed, and the game is subsequently called, the runs scored in that inning do not count for wagering purposes.)

iv. For first 5 innings wagers, if a game is suspended in the bottom of the 5th inning with the home team ahead, all money line bets will be posted as official at the time of suspension, with the total being refunded.

b. SOFTBALL (major league, minor league, and college): In all seven-inning scheduled games, winners and losers are “official” after seven innings of play unless the home team is leading after six and one-half innings or the game is tied at the end of seven innings and goes into extra innings. If a game goes into extra innings, winners and losers are “official” after the winner is decided after a full inning of play.

i. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.

ii. If a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. (For example, in a case in which the home team scores to tie or take the lead in the bottom half of the inning, which is not completed, and the game is subsequently called, the runs scored in that inning do not count for wagering purposes.)

c. BASKETBALL (college): After 35 minutes of play.

d. BASKETBALL (professional): After 43 minutes of play.

e. FIGHTS: When bell (buzzer, etc.) is sounded signifying the start of the opening round, the bout is considered “official”, regardless of the scheduled length.

f. FOOTBALL (both college and professional): After 55 minutes of play.

g. HOCKEY (both college and professional): After 55 minutes of play.

h. SOCCER: After 90 minutes of play.

i. AUSTRALIAN RULES FOOTBALL: After 66 minutes of play.

m. HANDBALL: After 60 minutes of play.

n. CHESS: Match must be fully completed for action.

o. AUTO: A race must be completed, and a winner declared within seven (7) days of the start of the race to be considered “official”.

p. GOLF: Tournaments must be completed within seven (7) days of the start of the tournament to be considered “official.”
q. OTHER: All other contests that involve a scheduled length of play or time limit must play to their conclusion or have five minutes or less of scheduled playing time remaining when the contest concludes in order to be considered "official" unless otherwise specified.

r. In all sports, with the exception of tennis and table tennis, if any change in venue occurs from the originally scheduled location, there will be “no action” and wagers will be fully refunded.

5. WAGERING ON "TOTALS" – OVER OR UNDER

a. When wagering on "totals" on contests involving a scheduled time limit, all game wagering rules applicable to minimum length of play requirements shall also apply to "totals" wagers (i.e. contests must play to their conclusion or have five minutes or less of scheduled playing time remaining for "totals" wagers to be considered "action").

b. When wagering on baseball "totals" or "run lines," the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one-half if the home team is ahead) for a scheduled seven-inning game.

i. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts back to the previous full inning of play.

ii. When wagering before the start of a baseball game on "totals" or "run lines," pitchers will be automatically listed. A pitcher change before the game starts constitutes "no action."

c. When wagering on softball "totals" or "run lines," the game must go at least the regulation seven innings (six and one-half if the home team is ahead).

i. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts back to the previous full inning of play.

ii. When wagering before the start of a softball game on "totals" or "run lines," no pitchers will be listed; therefore, all wagers constitute “action.”

d. When wagering on soccer "totals", extra time and penalty kicks do not count towards the “total”; only 90 minutes plus injury time are counted.

e. When wagering on football regular season win totals (both college and professional), teams must play the exact number of games on their schedule for “action”. If there is a change in opponent, as long as the team plays the originally scheduled number of games, those bets are still declared as “action”.

6. OVERTIME PERIODS

a. When wagering on “totals,” overtime periods are counted in the final score, unless otherwise specified.

b. On halftime or second half wagers, overtime periods are included as part of the second half, unless otherwise specified.
7. **DETERMINING THE WINNER**

   a. The winner of an event or game will be determined on the date of the event’s conclusion. Management does not recognize suspended games, protests, overturned decisions, changes to the score, etc. any time after the date that the event was completed. Management, at its sole discretion, may delay payment of winning wagers if the final score is questioned or challenged.

   b. The winner of an event or proposition wager that occurs while a game or match is in progress will be used to determine the winner as soon as the event is complete, regardless if the game or match is played to its conclusion, unless otherwise specified.

   c. All futures bets placed will be “action” regardless of any regular season or playoff structural changes the leagues deem necessary.

   d. If a league declares a championship, conference, division or any other category a winner, all bets on the winning team will be paid out regardless of regular season or playoff format.

   e. Bets will be paid out if the league declares a championship, conference, division or any other category a winner without playoffs taking place during the particular season.

   f. If a league does not declare a championship, conference, division or any other category a winner, all bets on those futures markets will be void and considered “no action”.

8. **WAGERING TIES**

   a. Straight wager, “no action” and the wager will be refunded.

c. Wagers for all partial-game markets are action upon the completion of the specified period. For example, a 1st half wager is action if a game is postponed in the 2nd half; whereas a 4th quarter wager is void if the game is postponed in the 4th quarter.

a. Professional baseball wagers are accepted in the following manner:
   i. Action: Team against team regardless of the starting pitcher.

   iii. Both Specified Pitchers: A wager that specifies both starting pitchers. Any variation constitutes “no action.”
   iv. NOTE: Each team’s starting pitcher is defined, for wagering purposes, as the pitcher who throws the initial pitch.
   v. In the event of a change in pitcher(s) prior to the start of a baseball game, money line odds may be adjusted. If one scheduled pitcher starts against an unscheduled pitcher, “action” and “specified pitcher” wagers will be computed at the opening price established with the new pitcher.
   vi. First inning yes-no run scored, and total runs, hits and errors proposition wagers are automatically listed as “no action” due to a change in the scheduled starting pitcher.
   vii. For regular season series propositions, all bets are considered action, regardless of the number of actual games played versus the number of games scheduled in the series.

c. Baseball parlay payoffs are computed using standard money line calculations.

d. For all full-game wagers on baseball the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one-half if the home team is ahead) for a scheduled seven-inning game for action.

c. Wagers for all full-game markets stand providing at least 55 minutes of play have taken place and an official result is declared, unless otherwise specified.

d. Wagers for all partial game markets are action upon the completion of the specified period. For example, a 1st period wager is action if a game is postponed in the 3rd period; whereas a 2nd period wager is void if the game is postponed in the 2nd period.

26. PARI-MUTUEL RACE RULES
   a. If a scratch occurs, the rules at the host track will apply to the scratched entrants.
   b. Winning pari-mutuel wagers are paid in accordance with official results at the host track. Pari-Mutuel tickets must be cashed at purchase location. Pari-Mutuel tickets are valid for 365 days after the date of purchase or 30 days after close of the racing meet, whichever occurs first.

27. NON-PARI-MUTUEL RACE RULES AND LIMITS
   a. Races must go on the track and date scheduled, unless otherwise specified or the wager is considered “no action.”
   b. Odds are subject to change and winning tickets are paid based on host track mutuels.
   c. Tickets go as written regardless of any change in jockey.
   d. Official results and track mutuels, as determined at the host track on the day of the race, will be considered as final by management for wagering purposes. Any subsequently overturned decisions will be disregarded.
e. Tickets will not be altered or voided prior to post time except at the discretion of management and with the approval of both parties.

f. With the exception of twin quinellas, a wager must be offered in a pari-mutuel pool at the host track in order for the wager to be booked. In the event a wager is inadvertently offered, wager will be refunded.

g. Entries and field horses go as one unless otherwise specified.

h. For horse racing future book wagers, all bets are “action”.

Win, Place and Show Wagering
We pay full track odds on all tracks, unless otherwise specified.

Daily Doubles
Daily Double payout odds limited to 150-1. In the event of a scratched horse, the wager will be refunded.

Pick 3
Pick 3 payout odds limited to 300-1. In the event of a scratched horse, the post time favorite will be substituted in place of the scratched horse.

Exactas
Exacta payout odds limited to 150-1. In the event of a scratched horse, the wager will be refunded.

Trifectas
Trifecta payout odds limited to 500-1. In the event of a late scratch, the wager will be refunded for that particular combination. Dead heats are handled as follows:

- Dead Heat for Win: You must have both horses in the dead heat for win along with the show horse to have a winning trifecta. In the event you had the three horses boxed, you would have the trifecta payoff twice. The same would apply to dead heats for place and show.

- Dead Heat for Place: The winning horse with both place horses.

- Dead Heat for Show: Win horse, place horse, and one of the show horses.

Payoff Limits
Management reserves the right to increase or decrease payoff odds limits. If the payoff odds limits are increased or decreased, the revised odds limits will be posted in the race book prior to accepting wagers on a race with revised payoff odds limits.

28. TWIN QUINELLA RULES

a. The Twin Quinella, or Twin Q, comprises two different races selected by management. Players must pick the winning Quinella (first two finishers) in both designated races.

b. The cost per combination is $2. Multiple combination tickets will be accepted.

c. Management will provide an initial minimum carryover pool. A percentage of each day’s Twin Q handle will be added to the next Twin Q pool in the event that it is not hit that day.

d. The carryover pool is aggregate. If there are multiple winning tickets, the carryover pool will be divided equally.
e. In the event of a late scratch in the first leg of the Twin Q, wagers with the scratched horse will be refunded. For a late scratch in the second leg, only those wagers with the scratched horse and winning combinations in the first leg will be refunded. If a multiple combination ticket has a scratch, the combination involving the scratched horse will be refunded after the second leg of the Twin Q and live combinations will remain as “action.”

f. Both designated Twin Q races must run with a minimum of eight separate wagering interests. If late scratches reduce a race to fewer than eight separate wagering interests, the Twin Q for that day becomes void and all money wagered will be refunded.

g. The Twin Q may be offered at all participating William Hill Race and Sports Books.

h. In the event of no winning tickets, the carryover pool will move to the next designated day.
